music up and down, which I think creates a different vibe to the original. In this case, it creates a more positive vibe, in both senses, or maybe that's because I had this on repeat in previous years while doing assignments and I just had a more negative association with the original. Nevertheless, it definitely changes the feeling of music, it's odd that the extension only works when my device is charging, regardless of how much memory I consume for my tasks. Review over.

also...
