Monkey 5388 tried to execute Monkey 5938, but dropped the syringe on their foot pointy side down. As it tried to save itself, it depressed the plunger to the bottom.

Monkey 5380 suffered a sudden brain aneurysm. Though he had no knowledge or family history of the condition and zero medical warnings, it still occurred. It can happen to anyone. Remember that.

Monkey #5379 got so enraged during a normal series of intercourse with a vacuum, that he accidentally turned the thing on, thus ripping his peepie off and making that monkey bleed so much that it was terminal.

One of the few nation's with a frightening economy, without a single car. One of the most developed nations, but our government is corrupt as fridge. Tourist hot-spot, but the ruler Vindalbal II refuses to even put basic footwear on. Environmentalist, Nationalist, Vincarcacist, Gladesville. PewDiePie is also a nasty person.
