Well known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.

Totally new to me, at least.

Leftists abuse politics for their narcissistic need for moral superiority. Ironically, they usually achieve the opposite.

I've seen them multiple times in F7 and International Incidents/Nationstates, and it seems they have been interacting with more than a few people, as well. As such, I'd say quite well-known.

Haven't seen the bugger at all:(

Home of the legendary Mega Trollge.
"I will peg you to death" - Mega Trollge

Mega Trollge is a character from the game **Five Nights at Freddy's**. The god of trolling, Mega Trollge, has laid dormant in the city for thousands of years, as a villainous amount of trolling has faded and the city has been abandoned. Recently, though, amounts of trolling have crashed, birthing the event "The Great Troll game", which is on the 23rd of September every year.

Well known, although they would like to insist that isn't for good reasons.

Basic Facts

An industrialized Ukraine that is gradually being integrated into the European Union. With peaceful relations with all our neighbors since we are all under one European, security framework.
