Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.

Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

^Realized the above is a cover, and one I'm surprised I knew

[Sun City Girls-Space Prophet Dogon](#)

Pretty sure I know it from my dad....typically if I know something like this from before a year 1/2 ago (Since then, I've been introducing my dad to music, instead of my dad introducing music to me, since I've explored music so much since then), it is because my dad listens to it/listened to it.
