Considering that this is a school exam, the problem would be less the cheating and more the fact you snuck into a school. Max sentence is a year and/or a \$5000 fine.

Lynching someone whilst knowing they are innocent

Life in prison on the work detail.

That's just a normal assault charge. Either prison or a fine indexed to income, but likely just the fine due to the nature of the assault.

The punishments have a different range. If pictures are not anything sexual the offender faces a month in prison. HOWEVER, if the pictures are sexual then the offender faces a life in prison without a parole or chances to repeal the court decision and the buyers of those disgusting images also gets a lifetime jail sentence.
