Primordial - "No Nation On This Earth"

*These are wounds made by cold hands  
That know the bite of steel  
Hands that have rendered life extinct  
And punished the weak at heart*

*Tell me what Nation on this Earth  
Is not born of Tragedy?*

*That has not felt such harsh weapons  
Wielded by cruelty's desire*

First song I heard by him. Listened to that whole album and it's probably still my favorite.

Epica-Chasing the Dragon

I love this song, up until the somewhat strange growly singing in it :/
