50 years in Prison. Forced to get a car 2 times more expensive than stolen car. If you cannot pay for it, it will go into your debt. However, the victim may be allowed to keep their old car or update it to how they wish if they like. This also applies for seniors who are male.

Releasing 50 tons of Flourine Trichloride into a public square

Edit: Ninja'd. Mega mega Ninja'd.

Forced to pay all money earned back to victims, and if their victims are dead, their families, to pay for their funerals, refusing to tell where the bodies are is an extra 3x for each victim's funeral and compensation, Not to mention that all perpetrators will loose all their assets, possessions digital and material, bank accounts, everything, sold by the government, and whatever money remains which should be none most of the time, goes to the Government GDP.

Shoplifting is an act of theft which in some areas in the metropoly will bear hanging. However usually it's several months in prison or punitive labor

Prohibited. If illegally owned, the animal is immediately confiscated and sent to a wildlife reserve (there are no zoos in Domacria, they are viewed as cruel), and the illegal owner(s) are charged with fines of up to D\$150,000, per person, per animal.
