I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

I like the logos, actually, definitely seen worse party factbooks (I only have a section in my general factbook myself). It's a hard choice though. I'd probably settle for the Nationalist party, but I'm really not sure.

So firstly, I think I'd vote for the NSD.

And about my factbook...well, I'm pretty sure the Nationalists and Puritans *could* be confused, but I mean, I only created that last one recently because I want a fascist takeover in my history, with this HUUUUUGE foreign liberation as well.
