Curious what you might think of this one, Ancient Magmia. It's kinda jazzy.

I actually wonder if you would like the SimCity 4 soundtrack, too, but I don't know what you think of instrumental music. There's some pretty jazzy stuff on that soundtrack.

12th album. Not sure if I'm going to finish it or not. Have other things I want to do before bed, and it's already 3 AM.
