Steve Harley and Cockney Rebel — *Make Me Smile (Come Up and See Me)*

I thought this was a 1990s song, but it turned out to be one from 1975 with at least 100 cover versions, plus all the subpar karaoke versions that you find in generic karaoke tapes.

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.
