They have a lot of energy.

To BN, I don't have a primary banner, so just go off of the first one you see.

According to the official description, that banner signifies autocracy. If we go even further, we can say that this nation has a massive Roman influence.

#### The Immortal Pristine Revolutionary State of Ukraine

**SUMMARY:** An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

**What do we have to offer?** A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.

What AN's banner tells me? Most of their populace lives in cities, and while they are pretty sanitary, they also seem to be quite cramped together.
