Their motto is literally the title of a Sabaton song, and given the seemingly serene nature of the rest of the nation I'm indined to believe that was intentional.

The Tribes of the Caleshan Valkyrie are in a semi-perpetual state of competition, micro AND macro-wise, so...I'd expect a lot of sabotage and betrayal. A big lot.

In part because of Holly's limited knowledge of the Earth, the version of Earth that she created in her 'Garden' has liquid nitrogen instead of water in its oceans. Its most populated settlements include Yangon, Moscow, Cairo, Istanbul and Tokyo, all of which are estimated at an exact 0, because she forgot to make any humans or other creatures (or a world that could sustain them)

I like how it's a combination of Papuan Indonesia, Melanesia and the Afro-Latino Carribean. I suspect that Communist East Timor is an inspiration to the nation and it's shaped almost like a Carribean Island. **[MOD EDIT]**
