@everyone,

Please DO NOT announce to the server when you are going to mast\*\*\*\*\*e. This has been a reoccurring issue, and I'm not sure why some people have such under developed social skills that they think that a server full of mostly male strangers would need to know that. No one is going to be impressed and give you a high five (especially considering where that hand has been). I don't want to add this to the rules, since it would be embarrassing for new users to see that we have a problem with this, but it is going to be enforced as a rule from now on.

If it occurs, you will be warned, then additional occurrences will be dealt with at the discretion of modstaff. Thanks you.
