Thessaloniki

A modern day country with strict policies on eco-friendliness, economic freedom, and international transport. We celebrated twenty-eight years of independence and equality from the British Empire. Long live Noraton, long live the world!

We are a former British colony in Sumatra, Singapore, and the Malay Peninsula.

Lanzhou

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

MT Dieselpunk nation with fantasy elements set in the 20th century (somewhere between 3 and 4 in the Mohs Scale of Science Fiction Hardness.)
Downgraded from FT to MT. Now fighting against not one, but two ridiculously powerful nations fighting for supremacy over the whole world.

Hey hey, LP here: Too burnt out with this nation to make new lore or fix macrohistorical *longue durée* alt-his inconsistencies, too clingy to let it die.
