I feel you're more known for the Valdosta affair than anything else, otherwise what "notoriety" you had gained from that has transferred into irrelevancy. I'd say 3/10.

Similarly due to Brebina, nothing bad against Kelt though, the only native there that actually spoke out against Gorutimania and Stranarei and stuck by that ideal, so I'd give them a solid 7/10.

Extremely well known (11/10) thanks to posting on the forums often and their many raids.

5/10. They're pretty recently founded, but their post count is pretty high for their nation age.
