★ **The Plurinational Socialist Federation of North America** ★

"To a world of liberty and equality for all!"

A council communist federation that emerged from the ashes of a period of mass social upheaval in North America.

This nation takes place in a world where humanity is in the early stages of expanding into space.

This nation does not use NS Stats, nor it represents my real life political views.

Welcome to the Regmottoan Empire!

A vast, overpopulated empire whose people follow its Tsar and the Azurite religion without complaints! *or they will die*
