Half Finnish, half German Reich. A balanced good-evil alignment for a balanced score. Just don't get too German Reich, now, you hear?

I use my NationStates stats, because a population of billions/trillions and an economy of hundreds of trillions is totally viable, trust me.
But seriously, aside from the population and GDP, just assume that my NS stats are roughly accurate.

7/10, for multi-leveled imagery of violence (weapon ---> snapped weapon ---> snapped weapon that is fast, penetrating, and purely offensive).

As frightening as a door stop. For real though, I get real "Pacific island nation" vibes from the flag, and they're not particularly evil in the biggest sense of the word. Maybe some casual cannibalism way way back in the day but nothing world-devastating. 2/10.

They try to be the Soviets but just can't get the right amount of brutality and menace down for the perfect score.

I think I'd rate it a 2.5/10, is based off the Taiwan flag but it doesn't give evil vibes to me.
