My mom just showed me it. Apparently she ran across it somehow. I think we are all in love with Spotify.

Well they are kinda well-known in certain circles I guess. But their music is pretty eccentric (mathcore/experimental metal).

I think my dad might know the band or something, but I don't know for a fact. I've just heard that name somewhere, but I don't remember where.

For a Minor Reflection-Sjaumst I Virginiu.
