Anna Russell - *The Wagner Ring Cycle*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

9 times out of 10, I hate rap music.

9 times out of 10 of said rap music, it's modern rap music.

I have no idea why I am unironically listening to *Die Very Rough* by Mario Judah, who I didn't even know before I saw a few memes of him on Instagram. It's such an enunciated song. Every letter is pronounced, and it makes me incredibly uncomfortable. It slaps, though.

I'm still pretty sure he's one of the 23 senators who stabbed Julius Caesar.

America-Modern is a nation created with the intent to accurately portray and roleplay how the United States acts in the modern era. We do not use NS-Stats, instead we use real-life stats. This nation was brought to you by the guy who made USA-1980s.
