*Where is the horse gone? Where the warrior?
Where is the treasure-giver? Where are the seats at the feast?
Where are the revels in the hall?
Alas for the bright cup! Alas for the mailed warrior!
Alas for the splendour of the prince!
How that time has passed away, dark under the cover of night, as if it never were.*

Thought I would revive this geography-related game. The rules are simple:
The last letter of the city/region/country the above nation posts is the first letter of the place you have to use. I'll start:

Tokyo

You're supposed to start in this case with the letter A.

I've been on this site for 2 years. I don't know if this is an accomplishment or just sad.
