Defence Forces: \$4m "badly needed" for equipment upgrades

If you have a decently large military, 4 million is barely anything compared to your budget  
For example, Nacrad's military budget is 103 Billion (with a B); 4 million is a drop in the bucket at best

“

Metropol Tower Incident casualties reach 24 dead, 48 injured.

”

Is it a coincidence that the injured amount is double the dead amount? Also, I'm surprised that more people didn't get injured, considering the past news in your sig hinted that the tower was extremely famous.
