~~Been thinking about reviving the old Fallout 4 puppet tbn but like this time as an anthology thing with stories idk~~

~~I say go for it. It would be a refreshing change from the usual encyclopaedic shit, so I really recommend trying that.~~

I'm not sure what can be exactly said, but I like the inclusion of a Celtic/Brittonic based conlang within Astoria and as one of the main languages. Celtic conlangs are rare, so I welcome this. I don't know much else about it but I hope you keep working on it and fleshing out its role in Astoria, whether being more important than English or its role dedining due to globalisation and Anglophonic global communication.
