Hello there. I'm **Simonia**, your average leporine TG-loving F7er. Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, **Pink Castle City** is called that for its pink castle, **Pink Castle City's main building**.

Because I'm not them.

BN must be a nation with no interaction with me to pass the test.

Vance Ajik is recovering from fighting Zirol, NS Stats were caught in Monkey Genocide and were never seen until their life link was brutally annihilated by Kronos, and one more thing the mitochondria is drunk from being the cell's powerhouse.

I'm sorry, but the Orochi class has been already shipped to my nation, but don't worry I'll give it to some other nation in hopes they will need it more.

Imperial Cecilia, Commonu or Simonia would you like Orochi class?
