The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

I have the soundtrack to *The NeverEnding Story* going on MP3 in here in a vain and useless attempt to drown out my idiot neighbor's blasting of some single, bass-heavy, low-grade-headache-inducing hip-hop song that he explodes across the countryside EVERY SINGLE NIGHT.

Angry Tubbius.

Oh, yes. I love good movie soundtracks, by the way. □
