Hmm, never been a huge fan of that vocal style, but that song is interesting.

[Try this](#). It is classified as "Experimental Metal", and "Jazzcore". The band consists of a bassist, baritone saxophonist, and a drummer, and that's it, though they get various guest musicians, like Mike Patton. They're on his record label, so.

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time
