Dental Care- Owl City

If this was played whenever I, anyone, went to the dentist, I think the experience would be much more enjoyable. I can barely help smiling listening to this song.

This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevean constitution since 1999. Also, the colony is

called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.
