Green Day - Warning
From *Warning* (2000)

*This is a public service announcement
This is only a test
Emergency evacuation protest
May impair your ability to operate machinery
Can't quite tell just what it means to me
Keep out of reach of children
Don't you talk to strangers
Get your philosophy from a bumper sticker*

*Warning, live without warning
I say a warning, live without warning
Without, alright*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Iwan Fals - Galang Rambu Anarki
From *Opini* (1982)

*Galang Rambu Anarki anakku
Lahir awal Januari menjelang pemilu
Galang Rambu Anarki dengarlah
Terompet tahun baru menyambutmu
Galang Rambu Anarki ingatlah
Tangisan pertamamu ditandai BBM
Membumbung tinggi*

*Maafkan kedua orangtuamu
Kalau tak mampu beli susu
BBM naik tinggi
Susu tak terbeli orang pintar tarik subsidi
Mungkin bayi kurang gizi*

Robin Thicke - Morning Sun
Single (2015)

*You are the one, so why stop it?
You are the one that calls me papi
You are the one, good and naughty
Baby, you're the one, hey

Elton John - Candle in the Wind
From *Goodbye Yellow Brick Road* (1973)

*And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to
When the rain set in
And I would have liked to have known you
But I was just a kid
Your candle burned out long before
Your legend ever did*

Elton John - Candle in the Wind 1997
Single (1997)

*And it seems to me you lived your life
Like a candle in the wind
Never fading with the sunset
When the rain set in
And your footsteps will always fall here
Along England's greenest hills
Your candle's burned out long before
Your legend ever will*

John Lennon - Jealous Guy
From *Imagine* (1971)

The Beatles - Girl
From *Rubber Soul* (1965)

*When I think of all the times
I tried so hard to leave her
She will turn to me and start to cry
And she promises the earth to me
And I believe her
After all this time I don't know why
Ah, girl, girl, girl*

*She's the kind of girl who puts you down
When friends are there
You feel a fool
When you say she's looking good
She acts as if it's understood
She's cool, ooo, ooo, ooo
Girl, girl, girl*

Ed Sheeran - Thinking Out Loud
From x (2014)

*When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love
Will your eyes still smile from your cheeks*

*And darling I will be loving you 'til we're 70
And baby my heart could still fall as hard at 23
And I'm thinking 'bout how people fall in love in mysterious ways
Maybe just the touch of a hand
Oh me I fall in love with you every single day
And I just wanna tell you I am*

Strapping Young Lad - *Bring On The Young*

CVT Temp wrote:
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.
