It's Raining again-- Supertramp

A combination of the neutrality of Switzerland, the military capabilities of Israel, and the authoritarian governance of Russia.

I like to complain about bad governments are people halfway across the world, but I prefer that anyone except me deal with them.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Factbooks are eternally WIP because motivation to write comes and goes on a whim

THE CONFEDERACY OF THE VESSELS RESURGENT

*"And let the gods and monarchs know: they should fear the Ones Below."
-The Voidsong, 356 PF.*

This nation is set in an AU of Hollow Knight, and contains HUGE spoilers for that game. Currently reworking the Vessel language.
