They are well-known all over NS, judging by their post count, but I've never seen them outside of F7.

By the way, Procrast isn't one of my alts, just I find the concept of their nation very amusing, and it keeps getting better. However, regarding anogbwg gbwpfg, fqeide ox fgr xbrpmsg vqfmwt.

I'll admit I've been gone for a wee bit, but I've also gotta admit that I haven't seen them before, so if they're well known now, it's gotta be a fairly recent phenomena.

I remember seeing them around a very long time ago, but I doubt they are still well-known now.

Talking about myself, I haven't been active on Forum 7 for a while now. So when I was here some time back, I never knew (or even saw) the AN. So I'm not sure. But that was some time ago.
