Seen em a few times but based on founding date and post count (48 F7 posts), probably not too well known

I think it's important to note I also have no knowledge of any alts they have either

I've seen them enough times to recognise I've seen their flag before, but not enough to know their name. I guess they are not complete unknowns, but not particularly well known either. Somewhere in between.

Very well known I'd say, and well-liked too.

Stralfcyde seems to lack the ability to read, so...

AAAN: Haven't seen before until quite recently, so I'm guessing that they're either a rising star on F7 or a returning oldie.

AAN: Notorious for lacking the ability to read or write high-effort responses. Their mannerisms are quite typical of your average GCR-lurker, so they'd normally be quite forgettable if it weren't for the fact that they also enjoy dwelling F7.

AN: Ain't seen 'em before either, though by the founding date I'm guessing they've made a name for themselves in other areas of NS.
