Jesus. 10/10.

This nation is based on (a slightly more extreme version of) my IRL opinions, and I answer issues accordingly.

"This negative passion is far from sufficient for achieving the ultimate aims of the revolutionary cause. Without it, however, that cause would be inconceivable, impossible, for *there can be no revolution without widespread and passionate destruction*, a destruction salutary and fruitful precisely because out of it, and by means of it alone, **new worlds are born and arise.**"

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Based on the real life nation called Free Territory. Since I am too lazy/procrastinating to do dispatches and info on it, here's the wikipedia article about it: [https://en.m.wikipedia.org/wiki/Free\\_Territory](https://en.m.wikipedia.org/wiki/Free_Territory)

7/10. I may be socialist myself, but due to the USSR, the Hammer and Sickle is now usually associated with bolshevism which I personally think is too authoritarian.

Eh, kind of invokes overzealous theocracy. I'll give it a 7/10.

AN: Also 7/10. Looks like an arms manufacturer's logo rather than a flag (which, as I understand it, is pretty accurate)
