Manowar

Purpelia does not reflect my actual world views. In fact, the vast majority of Purpelian cannon is meant to shock and thus deliberately insane. I just like playing with the idea of a country of madmen utterly convinced that everyone else are the barbarians. So play along or not but don't ever think it's for real.

The above post contains hyperbole, metaphoric language, embellishment and exaggeration. It may also include badly translated figures of speech and misused idioms. Analyze accordingly.
