This one is tricky, because I like some aspects of your nation, but others not so much (like the focus on honor).

I think I lean towards no I would not live there, but just barely.

Like people, Lilguay and its Factbooks are all works in progress. Just be nice and enjoy the creativity, wit, and escapism of yours and others fantasy nations, civilizations, and worlds.

Red Lake does not necessarily represent my personal views. I promise I'll make a tech factbook eventually. NS stats didn't respect the wildlife and got mauled. Language is Gothic.
