Listening to Pussy Riot's *Kill the Sexist* EP.

I had initially written them off as total garbage musically, but to be fair to them, they *are* being attacked during most of their recordings. The EP itself is decent. Middle of the road riot grrrl quality, I've always had a soft spot for DIY.

Although The Youngins' *The Youngins Are Hardcore* LP was a gem.

DMX - Intro

*"Give me the bat, let me split him  
I'll have em where the pillow and the casket won't fit him  
Only reason I did him, he wouldn't fight back  
Tried to strike back  
Left him like that, layin up with the white hat  
Gettin right back at ya when I snatch ya  
Up out the grave, nuthin but bones and ashes..."*
