Actually, same was this nation said about AAN. Never seen this nation before and they've got about 55 posts. Recently founded two months ago. One or two users here might recognize them, I suppose, but vast majority will not. Not very well known.

"We won't be taxing, bureaucratic hypocrites forever!"

We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program
