Not bad, but I don't know if I'd listen to it much.

Here, give [this female vocalist a try](#). Some of these songs start out a little slow.

There's a 9 minute song on this album that has a seriously F'd up ending.

So that's where those lyrics come from. I've seen it around but never came across the song.

I heard it on the radio yesterday so I got in the mood for it again.

Rare for me to like a song on the radio.

Of course it is a depressing song.
