What music are you listening to right now? Part VIII

by **Corrian** » Sat Apr 19, 2014 8:28 pm

Continuing on with the long trend of threads where you post what you are currently listening to, and where discussions about...all sorts of things take place sometimes while you're posting about what you're listening to. But mostly, we relentlessly post what music we're currently listening to, or what we're currently going through that we've never gone through before. Come join us in the world of music listening, and endless posts!

Yeah, that was terrible...

So, to begin:

Ministry-The Land of Rape and Honey

Yay, new thread! ☐

[Jay-Z & Kanye West - No Church In The Wild](#)

"Human beings in a mob

What's a mob to a king? What's a king to a God?

What's a God to a non-believer who don't believe in anything?

Will he make it out alive? Alright, alright, no church in the wild"
