Yes, actually.

If you feel a flag (mine) that most people here agree signifies a liberal left-wing nation looks like the ultimate (10/10) evil, well then I have to ask: what else should I expect from someone who has taken the time to rewrite history in his factbooks to where the South wins the Civil War?!

They were fighting for slavery, dude.

A nation of Slavic Mars' colonists who escaped from the nuclear apocalypse of Earth. We have not the Fully Automated Luxury Gay Space Communism (and we will never be gay). Our ideology.

The nation doesn't represent my views. It was created for artistic purposes and it's 0% political.

Current year: 2170.
