A lot of people know this dude is. You're a slow cat on the block if you ain't heard of this fella. Damn, he's a regular Greased Lightning strolling down the NS corridor catching high fives and finger guns.

OK, seriously though, this guy is pretty well known.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join [Calexico](#) and [Mexicali](#) then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our [Embassy Program](#)

Let's get this guy a statue, a statue polisher and a guy with a whip to whip the statue polisher when he gets tired because this guy above pretty much should have one in F7 and with nearly 2000 posts, it's safe to say you could have that statue visible from all over NS. Very very very well-known. A local cult leader in popularity, if you will.

I would say rather well known due to his pretty consistent usage of forum 7 and so on. I know him pretty damn well and I haven't really been here all that long on this new account.

Slightly well known on this new account, but I'm not sure what their main/original is/was so I can't say for sure how famous that one is.

Probably used to be quite well known, then became almost unknown
and not they are becoming recognizable again.
