Matchbox Twenty - Unwell

Today, the only market system ever exist is state capitalism. It is designed in a way that the state takes the risk while the private sector profits from it.

Last edited by **Jalanat** on Sat Feb 05, 2011 6:56 am, edited 1 time in total.

My nation is not like my nation page at all, it contradicts itself, we don't EVER eat kangaroos, that's just very sad. Also vegetarianism is compulsory yet it still says it's the nation's favourite main course and all and stuff.
