Red Lake does not necessarily represent my personal views. I promise I'll make a tech factbook eventually. NS stats didn't respect the wildlife and got mauled. Language is Gothic.

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is

always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

are NOT canon

I was bitten by a radioactive white woman, and that means I can use my super-powers to reject your reality and replace it with my own. Those policies ARE canon.

Hey hey, LP here: Too burnt out with this nation to make new lore or fix macrohistorical *longue durée* alt-his inconsistencies, too clingy to let it die.
