Yes I helped with the skins and gun charectoristics (screening and editing) for Arma3 alpha and DayZ mod Arma 3 source. In a way I guess you could say I work for them when they need new skins and game coding

Arma 3 is quite beautiful compared to every other war game ever made I would even go as far as saying that it tops Battlefeild due to the realism. Especially the Dayz mod is amazing with the textures. If you would like to see videos I suggest Eirebornfenix, Devildoggamer, or Jester 418?
on youtube.

My #1 favorite Pantera song. I really love that bass intro, and then guitar and synth come in and and... I love this song.

We'll Grind for a Long Time would be a better name, although it would then have to be a ravey EBM song.

I might agree but I don't for 2 reasons. 1) Axes are amazing and 2) the song is groove metal anyways. ~~What does this EBM even stand for?~~ Google is friend, now I know.
