Doom:VS - "The Lachrymal Sleep"

Funeral Doom/Death Metal from the album "Dead Words Speak" (2008)

I thought that I would listen to something a little slower for a change. ☐

The Notorious B.I.G. - Juicy

*And my whole crew is lounging
Celebrating every day, no more public housing
Thinking back on my one-room shack
Now my mom pimps a Ac with minks on her back
And she loves to show me off, of course
Smiles every time my face is up in The Source
We used to fuss when the landlord dissed us
No heat, wonder why Christmas missed us
Birthdays was the worst days
Now we sip champagne when we thirsty*

they do not want to hear. - George Orwell*

say something. - Plato*

True. That's why I don't like when people are like "you're going to go to hell" to, say, homosexuals. You're not the judge of that.

Geto Boys - Fuck a War

*Motherfuck a war, that's how I feel
Sendin' a ni**a to the desert to get killed
Cause two suckas can't agree on something
A thousand motherfuckers dying for nothing*

Same here.

You are not the judge, you are not the jury, you are not the prosecutor; you're on trial just like the rest of us, so you can't make the conviction. That's my stance on the matter. ☐
