Man discovers that he actually likes the hermit lifestyle, and lives in the woods... completely unmolested by any kind of living creature.

He does have difficulty hunting from upwind though.

Man quits cannibalisms, and decided to run a country. Man turns tyrannical, and eventually jumps of a cliff, to die, only to survive. Man tries to drown, but instead turn's into a mermaid, and teleports to Bikini Bottom where he, meets SpongeBob, and cooks Patrick over a fire, and eats him.
