Flak/Panzer

How would I reference something in the possessive, or use an
adjective to describe you? Would I say something is "panzer's"?
Something else? Or would I say "flak's a person" Or something else?

The Iliad quote challenging my confidence in my grasp of the English language.

The Allied States of Cormiso, a constitutional federation of largely alpine and mountainous frontiers on a large island on the American side of the far North Pacific. The people, mostly descendants of Anglo and Russian settlers, are highly focused on development whilst still appreciating their homeland's culture and natural character.
