"Inupiluaqqat" - Nuuk Posse

I suspect this song would be better if I could understand it. It sounds cool, and the very concept of *Greenlandic hip-hop* is amusing in its own right.

Most of the time I prefer NOT to know what they are saying, especially if the singer sounds awesome singing in their native language.

Just listened to the song "On Melancholy Hill" from Gorillaz's most recent album. It's really quite good; I'd recommend it.
