Mój Hymn - Horytnica

Genre: Heavy Metal

Album: Horytnica

Starting my listen-through of Horytnica's entire discography. First album is off to a very good start. There's a sort of low-fi sound to this one, which actually works in its favor. Short album at only 26 minutes though.

Czas Wyboru - Horytnica

Genre: Heavy Metal
Album: Horytnica

Very punk-influenced sound to it. That snare though ☐ Still better than the infamous St. Anger snare though.

The song was played during the last mission of the game. That game had a way of turning pulpy, kitschy stuff and make you ironically enjoy it to the fullest.

Śląski Rycerz - Horytnica

Genre: Heavy Metal
Album: Głos Patriotów

The first album was decent, clearly more of a demo than a full-fledged effort. But this album kicks ass, good production, solid and tight guitar work (their lead guitarist is badass, guy knows how to play melodic lines), drumming is steady, and vocals are either male or female, and they work well with the instrumental work.
