Царство Аляски, or the Russian Empire lives on in it's old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with it's allies against the Moscow Accord of Russia and it's alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitised with the conservative status quo, and their insistence on clinging to a now redundant past.

The Tilminese Federation is a totalitarian fascist theocracy ruled with an iron fist by [The Overseers](#), a fanatical organization of theocratic fundamentalists seeking to eradicate 'modern degeneracy'. Has scenic architecture, no light pollution, quiet streets and public executions for the smallest crimes. On and one in every four Tilminese has died from starvation, disease, execution, forced labor, and genocide ever since the Overseers have taken power but that's not too important.
