Gonna guess Canada.

The Ausar Confederation was the nation of the Ausar before their entry into the Albalian Empire on 19 July 3788 BCE.

The AC is a constitutional monarchy; the monarch is head of state, though the true power lies with the democratic Federal Assembly. More info on the Ausar as a species can be found [here](#). Expect lots of fluffy tails, tall doggo ears and plenty of niceness!

**NS stats are not used | IC year is 3797 BCE | Tech level is PMT**
