Clarification: This nation does not represent my political views in real life.

Why civil rights so difficult to go up.

Is air-land battle too much to **ASK FOR?**

When I asked for modern combat, did you think I meant *civilians in pickup trucks*?

NO. I wanted *cool combined arms like in all the synthwave youtube edits*.

Warfare isn't death and suffering, it's cool guns and synthwave music.

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up
